

Fredonia Front-Page Town of Fredonia, Arizona

NEWS FROM THE FREDONIA HISTORICAL SOCIETY

The Fredonia Historical Society has moved their Archive collection to the former medical center on Wood Hill Road. Our archives contain many area and family histories. We would like to collect all histories of current and former residents.

We now have enough room to collect and store historic materials and pioneer artifacts. Our goal is to have a Fredonia History Museum.

To further our efforts to establish a museum and document history we continue to have for sale at the Library, the Red Pueblo Museum and the Town Office the following items:

The Fredonia History Book, (1850-19850} \$10.00

The "Lets Cook Fredonia Style" Cookbook, Third Addition, first published in 1982, \$10.00.

A limited number of the Centennial DVD Picture Collection, for \$25.00.

Anyone interested in viewing the Archives or donating artifacts please contact- VeRene Tait at 643-7223, Marilyn Johnson at 691-1253, or Georgia Heaton at 643-7204.

Important Tidbit News

1. There is a ban on burning permits as of 5-30-2017 until further notice.

2. The Town is still working towards re-establishing the Northern Arizona Fair.

Dates are not set yet but hopefully it will take place in late August or early

September.

3. We still need to clean up a few more weeds and debris and most of all trash.

Remember we want our town to truly be like a desert rose and be a town we are proud to say, " Yes I am from Fredonia and proud of it!"

4. Town council meetings are: Aug. 8th and Aug. 22nd.

August Newsletter

The Town of Fredonia Marshal's office has been asked by the town council to identify, and enforce violations of the town code up to and including, litter, scrap metal, junk cars, weeds, residents living in RV's without a permit, residents with more than three dogs, and dog licenses. For business owners, we are going through looking for sign permits. If you do not have a sign permit please contact the Town office for an application for you sign. If you think you may be one of these residents or business owners in violation please contact the town office or one of the officers of the Marshal's office to find out how tow come into compliance.

The Marshal's office is still looking for a person who wants a career in law enforcement. Applications and information are available at the Fredonia Town Office.

News From our Library

We would like to thank all of the families that participated in the summer reading program in July. It was really hot and uncomfortable at the Park(the library is too small to do it there), but many of you came and participated in the program anyway. We spent a lot of time preparing to encourage kids to read but also to learn the joy of Science, Technology, Engineering, Art, Math and Music in building a better world. We had Fun! A special thanks to the teens that so willingly came to help us do this program for the kids.

Without them we could not do this!

Fire Department News!

In June Fredonia Fire was paged to 2 separate vehicle accidents. In both incidents, the Fire department was cancelled in route upon report that all individuals were okay and that assistance was not needed. The fire department was also paged to a brush and structure fire in Fredonia. We were assisted by Colorado city and Kanab fire departments and were able to extinguish the fire. The fire department assisted in transporting a fellow junior firefighter to the cemetery and participated in the Last Call for the Firefighter. We also had our annual Fireman's Breakfast and raffle at the park on the 4th of July. There was a good turnout and we would like to express our thanks to the community and businesses for their support. Many businesses and individuals donated items and money. Thankyou for your support. As part of our weekly training this month we have been working on recertifying for Wild Land. A certified instructor came from Colorado City to complete the refresher course for Wild Land. -----
